Spoke w/ Matt re. this matter on Friday. He is going to make some inquiries and let me know what, if anything, will be needed.

Cheers,
Steve

Subject: HQ awareness of grizz 5 YSR

Hi Steve,

Hope you had a wonderful weekend! I am following up after last week's monthly grizzly briefing to share a friendly reminder that you were going to talk to Matt Hogan about any

necessary HQ/DOI notifications regarding the 5 YSR (if any are needed at all). We are in the midst of preparing our outreach plan and are aiming to begin the surname process for this document on February 22. As I mentioned last week, Maricela confirmed with HQ staff a few months ago that they did not need to review the document. Joe will coordinate with HQ External Affairs on congressional notifications and other outreach. But, if there are other mechanisms we should use to give HQ a heads up that this is coming (HQ report? briefing? etc.), definitely let us know.

Thanks!
