Sounds good Marj. Did you want me to go ahead and send my comments into Alex, or would you prefer to send ours in together?

Thank you, Jesse,
I got part of the way through it yesterday and will at least get through the meaty stuff by tomorrow.

Hi Marj,

Here are my comments on the 5-year review. Most of my comments are editorial or asking for clarity - especially in our use of terms. However, my comment on the bottom of page 9 is

substantive, as we need to make sure we appropriately characterize the lack of connectivity for the North Cascades.

I'm still in the process of reviewing. I will have a few comments I was planning on sending to Alex by Friday. If it is helpful, I can get through the rest of the document today and send you the draft of what I was planning on sending. Let me know.

Thanks Jesse.
I haven't read the 5 YSR yet. Did you have any comments?

Hi Marj,

I just spoke with Alex (R6) and she indicated they will be sending us an email request for concurrence on the 5-year review on Feb 22. She indicated they only need ARD surname (email response giving the thumbs up). Just wanted to make sure you were aware of the timeline and are okay with them sending the request directly to you.

Thanks,

Jesse
