Hi Alex,

I'm fine with this language. My only thought was that this seems possibly a bit long/maybe more detail than needed for a HQ report? But we don't do a ton of HQ report submissions in our branch, so I'm not super familiar with the length/level of detail that's expected. So, I'd be fine with putting this forward and seeing what feedback we get, and we can always condense it if needed.

Subject: Draft HQ report grizzly five-year language

Hi team,

We have been asked to include an entry in this week's HQ report regarding the upcoming five-year status review for grizzly bears in the lower-48 states; this will alert leadership in HQ of the upcoming posting of the review. Please let me know what you think of the language attached by 9am MT tomorrow (we must send Jill the final version of the report by 10am).

Thanks!

Alex Kasdin | Species Assessment Team Project Manager
