FYI, all, Nicole requested we include this in next week's HQ report instead, and that we shorten it a bit. I will work on creating a more concise version of the HQ report language early next week (once we have the 5 YSR in surname).

Stay tuned for a new draft to review!

Nicole,

I sent this to you twice yesterday morning. It was due yesterday I am not sure if Matt will still take it. Denise, don't send it in until Nicole approves it last week that didn't go well.

Hi Jill,

Happy Wednesday! Attached is an entry for the HQ report from the grizzly bear recovery program (Steve/Matt requested it). It's been a minute since I did one of these so please let me know if any of this looks incorrect or too long.

Thanks!
