Hi again, Alex – I uploaded the surname document V5 and just kept the file name as it was, but added my initials. Now, onto the DTS signing. I believe I'm on the right page of the directions; however, I just don't know what I should put as the task. Is it "3-surname"?

Thanks!

Kate

I think I fixed.

You'd think we could come up with a system less cumbersome!

THanks Alex.

Hey Alex – I'm heading "out" for the day, but will go in before my 8:00 am travel training and see if I can't do it (correctly!). I think it's a first for a lot of us.

Thanks!

Kate

Hey Kate,

We just need to fix one small thing on Hilary's surname so stand by before you jump in (you probably just got a notification that it was your turn). I'll let you know once we've corrected.

Thanks!

Okey doke everyone, thanks for your patience with me as I worked through my first DTS experience. We are all set (at least I hope) and should be off to the races. Hilary, please let me know if you didn't just receive a notification to surname in DTS; you're the first on the list. A few things to note:

1. Everyone in this routing chain must provide two surnames: one on the attachment called "Surname Sheet" (which requires an electronic signature in Adobe) and one in DTS. If you don't know how to surname in DTS, give me a call and I can help.
2. Given our deadline to complete this by March 31, I was hoping to have this routed to the RD's office by March 15 at the very very latest (hopefully earlier). So, backing that out (while giving Steve a week to surname), we each have approximately one day to

provide our surname. Please try not to let this languish so we can keep moving through the chain (which is long).

3. Outreach will follow (I noted this in the Note to Reviewers). Hoping we will hear from Joe soon, but I will follow up with him again tomorrow.

Let me know if you have any questions or concerns!

Subject: grizzly update

Hello Team!

Quick update. I have the surname package 99% compiled (thanks for your last feedback on the 5 YSR). I will put it into DTS later this morning so we can begin the surname process (apologies that we are a few hours behind schedule!). Below is the routing chain I am envisioning. Please let me know if you feel I am missing anyone (and let me know who I should add as a FO admin):

1. Hilary Cooley
2. MT or Grizzly FO Admin (admin *must* surname before RO can surname)
3. Jodi Bush
4. Alex Kasdin
5. Trina Vigil/Jill Naylor
6. Craig Hansen
7. Sarah Backsen
8. Steve Small
9. RD's Office

Thanks!
