Thanks Alex,

Can we set up a time to touch base on this? Want to make sure I'm clear on the process/timing for R1 review. Thanks,

Jesse

Hi Jesse,

Happy Wednesday! Apologies that this is a few days later than promised. Attached is the five-year status review that we put into surname yesterday afternoon. I believe we ultimately decided to start the concurrence process on the version we started to surname (not a later version that might have edits from our RO). Do let me know if I am mistaken on that!

Let me know if you have any questions! It would be great to have R1 concurrence by March 12 (if possible) so we can include it in our package for the RD's office.

Thanks!
