Sounds good! Glad she's kept track of it. Let me know if there is anything you need from me on that.

Hilary has been having some side conversations with Steve on this so we won't discuss on today's call. Thanks!

Hey Jennifer,

Can we add our follow up meeting (for which we shared a Doodle) to the list of topics today? Just want to discuss if that's something we still want to do (and I definitely dropped the ball on it as we focused on the 5 YSR).

Thanks!

Subject: GB coordination call

We have some quick updates on the following topics for today's GB coordination call:

1. Surname process for 5-year review, posting of review and SSA, comms plan
2. Update on North Cascades
3. CBD notice of intent to appeal in recovery plan lawsuit
4. Approval of exception for grizzly bears to have separate current range and species list area
5. Future coordination and litigation calls

Please let me know if you have other additions to the agenda.
