Hilary and Jodi - I'm going to pitch an embargoed interview to Matt Brown at AP ahead of the grizzly 5-year review announcement (it wouldn't take place until a day or so before the announcement going public). You are both our proposed interviewees for this announcement. An embargoed interview can help us stay ahead of "alternative" messaging that outside groups may push from this review. Hogan hasn't weighed in on this yet, so there may be further changes from the RDs office, but wanted to loop you in on the plan early.

AP may or may not be interested (if not, I'd work to find someone else) - but please let me know if you have any concerns, thanks!
