Got it. Just asked Kate to input.

I added one line per our conversation:

"The 5-year review does not discuss potential delisting paths, and leaves future options open. "

Jodi -

Jen put together the BP for Martha's briefing. We couldn't get it down to 1p, but it's significantly shorter.

Since this is not going thru DTS, I'm hoping we don't need the remainder of surname docs?
