Hi Marj,

LR6 is requesting your concurrence on the grizzly bear 5-year review (attached). I previously submitted comments and edits, which have been addressed/incorporated.

As previously agreed with LR6, they are good with e-mail concurrence from you. If you need additional details or if there is a need for a regional briefing/discussion first, please let me know. Copying others in case there is interest in discussing before Marj responds to LR6. Thanks,

Jesse

Subject: grizzly concurrence

Hi Jesse,

Happy Wednesday! Apologies that this is a few days later than promised. Attached is the five-year status review that we put into surname yesterday afternoon. I believe we ultimately decided to start the concurrence process on the version we started to surname (not a later version that might have edits from our RO). Do let me know if I am mistaken on that!

Let me know if you have any questions! It would be great to have R1 concurrence by March 12 (if possible) so we can include it in our package for the RD's office.

Thanks!
