I don't think jen needs to sign.
Kate is signing now and then you go, Jodi.

I know it has nothing to do with anyone here, but I gotta rant:
It took me 20mins to figure out how to upload my signed form. Kate was working on it the entire day. Terrible, terrible program. Seems like we can do so much better. This system is gonna waste lots of time and resources and end up doing more bad than good.

I'll wait to sign until after you have let me know that Hilary/Jen and Kate have surnamed. Thanks. JB
