Subject: Interview for grizzly bear 5-year review

Good evening Steve -

I'm working to coordinate an embargoed interview with Matt Brown at AP News for the upcoming grizzly bear 5-year status review announcement. The outreach plan called for Jodi (policy) and Hilary (biology) to be on interviews, however Jodi will be on leave in the days leading up the announcement anticipated for March 31.

Roya spoke with Matt Hogan and he suggested that you would be the best person to take Jodi's place, let us know your thoughts. The interview would be the morning of March 30, we are aiming for 11am right now but can still be flexible on the time.

Let us know any thoughts or if another time might work better for you - thanks as always Steve!
