Subject: Final Communications Material for Grizzly Rollout 3/31

Good Afternoon-

Wanted to make sure everyone was in the loop on all things grizzly. We are cleared to roll out the 5-year review update on March 31st. Below is the updated tick tock (which Brian and HQ-EA are incorporating into the comms plan):

- Tuesday PM (5:00ET/3:00MT) - Save the Date [Alyssa will send out to D.C. and Joe will send out to District]
- Wednesday AM (1000ET/800MT) Congressional/State notifications [Alyssa will send D.C. Joe will send District]
- Wednesday PM (12:00ET/10:00MT) Congressional Call

Please note this is a little tighter than our normal rollouts with everything going out in a tiered fashion on Wednesday. [@Holm, Jason](#) [@Corbett, Miel](#) flagging for you and your folks for rollout that we do not have the final communication materials just yet. When HQ-EA ([@Hires, Brian K](#)) gets all the final communications materials please reply all with those items. Also FYI for Legacy 1, [@Small, Stephen M](#) is separately coordinating with your program folks.

I think that is the latest but if I missed anything please let me know.

-Roya
