Good Afternoon Everyone-

Thank you for being patient as we finalized the communications materials. Please note the rollout schedule has changed significantly to reflect the Department's preferences for notifications. Nearly everything (stakeholder, state, congressional, tribal, web, and social) will happen on 03/31 with specific times outlined.

[@Small, Stephen M](#) would you please loop in folks in the Pacific Region in the program and [@Bush, Jodi](#) share this with the field offices in the Pacific Region?

Please let me know if folks need any additional information.

-Roya
