Sounds good Steve, I believe Jodi should be back her schedule shows clear, adding her here just in case she's checking e-mails today. I'll set up a meeting invite for tomorrow morning, Hilary you show booked, but could you make something around 8:15am MST tomorrow (3/31) work?

Joe & Hilary,
I'm booked solid today. Tomorrow I have a Pvt. Appt. until 11 am.
Wondering if we push to early tomorrow, will Jodi be able to handle. Hilary, do you know Jodi status tomorrow?
Cheers,
Steve

Joe- I am traveling home from an appt so not the best time for me as I won't have access to talking points. Late this afternoon could work or tomorrow morning

Subject: AP News Grizzly 5-year Review Interview

Good morning Steve and Hilary -

The Department didn't give full approval on our outreach plan until late yesterday and had pulled back the embargoed interview, but we are now okay to move ahead.

We had talked about 11am this morning, let me know if that still works, I know that's only an hour from now. Matt Brown is also flexible today and could do pretty much any time this afternoon as well. Let me know what works best for you all, your schedules look pretty full today. Would likely be 30-40 minutes maximum.

Thanks so much!
