Dear Mr. Tobias:

We are writing to respond to your Freedom of Information Act (FOIA) request dated August 30, 2022 and assigned tracking number DOI-FWS-2022-005861. Please cite this number in any future communications with our office regarding your request.

Your request is seeking records regarding:

“Any and all communications between any representative, official, lobbyist, lawyer or other agents of the Eastern Collier Property Owners, LLC (ECPO) and one or more of the following USFWS staffers: Gary Frazer, Leo Miranda, Larry Williams, John Tirpak, David Dell, Robert Tawes, and/or Roxanna Hinzman. This request seeks records produced since January 1, 2022.”

Response

We have enclosed one (1) binder consisting of seven (7) pages. Six (6) pages are being released in their entirety and one (1) pages are being withheld in part. We are withholding partial information under FOIA Exemption 6 which allows an agency to withhold “personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” [5 U.S.C. § 552\(b\)\(6\)](#).

The phrase “similar files” covers any agency records containing information about a particular individual that can be identified as applying to that individual. To determine whether releasing records containing information about a particular individual would constitute a clearly unwarranted invasion of personal privacy, we are required to balance the privacy interest that would be affected by disclosure against any public interest in the information.

Under the FOIA, the only relevant public interest to consider under the exemption is the extent to which the information sought would shed light on an agency’s performance of its statutory duties

or otherwise let citizens ‘know what their government is up to. The burden is on the requester to establish that disclosure would serve the public interest. When the privacy interest at stake and the public interest in disclosure have been determined, the two competing interests must be weighed against one another to determine which is the greater result of disclosure: the harm to personal privacy or the benefit to the public. The purposes for which the request for information is made do not impact this balancing test, as a release of information requested under the FOIA constitutes a release to the general public.

The information that has been withheld under Exemption 6 consists of employee phone number. We have determined that the individuals to whom this information pertains have a substantial privacy interest in withholding it. Additionally, you have not provided information that explains a relevant public interest under the FOIA in the disclosure of this personal information and we have determined that the disclosure of this information would shed little or no light on the performance of the agency’s statutory duties. Because the harm to personal privacy is greater than whatever public interest may be served by disclosure, release of the information would constitute a clearly unwarranted invasion of the privacy of these individuals, and we are withholding it under Exemption 6.

The undersigned is responsible for this partial denial. This response to your FOIA request was made in consultation with Brigette J. Beaton, Attorney-Advisor, Office of the Solicitor.

Fees

Because the cost of processing your request was less than \$50.00, there is no billable fee for processing this request, as the cost of collection would be greater than the fee collected. See [43 C.F.R. § 2.37\(g\)](#).

Conclusion

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of FOIA. See [5 U.S.C. 552\(c\)](#). This response is limited to those records that are subject to the requirements of FOIA. This is a standard

notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

This is our final response and closes your request DOI-FWS-2022-005861.
