Taylor,

I like these FAQ's, including Vicki's suggested edits. I strongly recommend we post both the draft BO and the withdrawal letter from the applicants on the web. Assuming that becomes our ultimate plan, we need to let the applicants know we will do that. I can let them know at the right time.

Thank you!

Larry

Subject: FW: East Collier HCP/ITP Withdrawal FAQs

Hi Larry and Rob,

Please see the attached drafted FAQs regarding the East Collier HCP/ITP withdrawal. We have drafted these FAQs to post on our website based on the media inquiries we have received regarding this topic.

Vicki Mott within the Regional Solicitor's office has made recommendations and edits within the attached. Her edits have been accepted/incorporated (two highlighted items needs numbers/check for accuracy). But, there is an idea that she offered that I support and wanted to run by each of you before moving forward.

She has offered the possibility of posting the draft BiOp on the website where the FAQs will be located because the document has been disclosed, and would provide information that would be useful for the public. She also stated that we could post the letter from ECPO withdrawing the applications as it is not protected from release under FOIA and would speak to the applicants reasoning and why they withdrew the application, which we continue to get questions about. Please let me know your thoughts, as soon as possible. We are trying to get this through HQ tomorrow as one of the media inquiries has a deadline for Wednesday.

Thanks!

Best,

Taylor
