Hello all,

Just wanted to check in to see if there was an assessment released or any comment you can provide to me about the impacts of last week's launch! Always willing to speak on the phone if that's easier. Let me know.

Hi Tony! I will add you to the list of reporters that we send information to once our staff are finished assessing impacts from today's launch.

Chris,

My name is Tony and I'm a reporter for The Daily Beast. I'm working on a write up about the impact of the SpaceX launch this morning on the surrounding area and wanted to get a sense of how it affected nearby wildlife.

Scott from your office recommended I reach out to you since you're the SpaceX liaison. Let me know if you're free for a quick chat when you receive this. I'd love to hop on the phone to speak for a brief call around 5-10 mins.

All good things,
