<b>Request category ID</b>	media
<b>Fee waiver</b>	yes
<b>Explanation</b>	I am requesting a fee waiver as I am a member of the news media seeking records to inform the public.

**Expedited processing**

<b>Expedited Processing</b>	yes
<b>Explanation</b>	There is a simple and very targeted request. There is enormous public interest in SpaceX, its rocket Starship, and the impact of rocket launches on Boca Chica and its environment. The biological assessment and request for re-initiation of Endangered Species Act consultation sent by the FAA to the Fish & Wildlife Service on August 11, 2023 is very recent, timely, and in the public interest as SpaceX prepares to launch the rocket again but does not yet have an FAA license.
