Hi Alma:

So, per our phone conversation, we'll probably need 2-3 parking spots and for FWS, the following folks are planning to attend on the 19<sup>th</sup> from 10am-12noon CST at Stargate. They are: Amy Lueders, Amanda McAdams, Steve Reagan, Sonny Perez, Imer De La Garza, Chuck Ardizzone, Dawn Gardiner, Mary Orms, and myself. Please let me know if you need anything else. Look forward to seeing you there.

Thanks!

Good morning, Chris!

Looking forward to seeing you all next week!

Can you please provide me with first and last name of your attendees so I may place your names at the front gate, and so I can ensure we've got parking reserved for you. How many vehicles will you bring?

Confirmed for 10 am to 12 noon? Is that correct?

Thanks so much!  
Alma

**Subject:** Proposed agenda for Sept 19th SpaceX-FWS meeting

Hi Matt:

I know you're probably very busy but I was just wondering if you were still planning on sending out a proposed agenda so I can share? As I mentioned yesterday, some of the topic items included discussion of land exchanges, access to SpaceX's 91 acre inholding, the FAA's BA and other ES activities, future SpaceX projects as well as anything Massey Road-related such as the utilities and maintenance permit. As always, please let me know if you need anything or have any concerns I can address. Looking forward to our meeting next week!

Regards.
