Linda,

Attached are the materials I put together for next week's briefing with Cynthia. You mentioned not wanting me to bog her down in too much detail, so I was hoping you could look this over and let me know if you think it fits the bill!

Thanks,

South Penthouse availability March 16 all day

Mariane,

I'm coordinating an all-day meeting tentatively set for Friday March 16 and would like to reserve the South Penthouse. It's a meeting requested by DOI senior leadership that is intended to include participation by the Secretary, so ... high-priority (inaugural meeting of the International Wildlife Conservation Council).

If it's available, I'd like to reserve it. If it's not available, could you let me know who has it reserved?

Thanks!

Josh,

I have a training (NPS Manager's Institute) scheduled in the SPH March 12-16. The training was scheduled several months ago.

How many people? Room 5160 is available on March 16.

If it's available, I'd like to reserve it. If it's not available, could you let me know who has it reserved?

Happy Late New Year. Chris Sec. Zinke has a new International Wildlife Conservation Council (IWCC) DFO Coordinator and Josh Winchell is heading this one up like he did the last Wildlife and Hunting Heritage Conservation Council WHHCC Coordinator. They have a upcoming Council Meeting dated March 15th thru March 17, 2018. This is a very short notice. I have 15 new Council Members I am trying to put in the system so I can order flights and get them reimburse. Please work with me on this since this is Sec. Zinke priority. I just completed the first response and I will be sending more as I receive them. I have her DOB and Social when you are ready for it. Thank you for all the help you can give me.

I can contact OFR and ask them to change it. I can say that the notice needs to publish 15 calendar days before the meeting and that the FACA group is an Administration priority. Would that be good?

Subject: Re: SCHEDULED: Document Number - 2018-04206

The notice was delivered to OFR before 2 pm yesterday. However, the disk cert letter did not request a specific date. Publication of shorter documents 3 days after the OFR receives them is the norm; however, it is not guaranteed. It depends on workload, on how full an issue is, whether other people have asked for emergency handling of their documents, etc.

I just spoke w/ Margaret and she said it's okay to let this publish 3/2/18, with public inspection 3/1/18 -- that meets FACA requirements.

If you change your mind, Margaret, let me know. I'll be away from my desk (at MIB) from about 8:45 to noon.

Hi Linda.

Just so you won't be worried about it, I wanted to let you know that Margaret Triebisch from Exec Sec made sure the meeting notice for the IWCC got down to the Federal Register this afternoon. As I had guessed, Joshua had laid the groundwork and spoken to Margaret about his having to be out, so she made sure the notice was taken care of after it was cleared. Kashyap Patel down in our Director's office also helped with this.

All,

Margaret Triebsch just stopped by (1:05pm) and picked up our signed and surnamed IWCC meeting notice to bring it to OFR by our 2pm deadline.

I wanted everyone updated with the latest update because, with the unforeseen absences (which I hope is not too serious), I had the honor of filling some very big shoes, sandals and heels this morning.

Thanks you Krista, Kathy and Sara for all the help.

In DTS, it didn't clear the Director's office or FWP, so the package is still with the Director's office. However, it cleared the Secretary's office because they knew it needed to go to the OFR today.

I'm not sure what else to do about it. It really should go down there today before 2:00. Are you able to find out from Joshua?

IWCC mtg update

Subject: IWCC mtg update

Linda,

A few more updates on IWCC meeting planning:

- IWCC temporary website up and running at www.fws.gov/iwcc. I'll be parking all public info on that website (i.e. agenda, meeting materials).
- March 15 evening - per a request from DOI (Davis) I'm organizing an informal dinner for Council members. Prior to dinner, the Secretary will host a reception for members in his office. I contacted Roslyn and Thomas and put both events on Greg's calendar.
- March 16 - the IWCC meeting will be held in MIB, likely the South Penthouse, but some wrinkles still need to be ironed out with room availability! I've reserved MIB Room 5160 (Secretary's Conference Room) as a backup. Meeting agenda has been adjusted a bit based on input received from Davis and ExecSec but we're still looking at the same 9:45am-4:30pm timeframe.
- Administrative Session - I've reached out to Jennifer Heindl and Kim Hintz to arrange the FAC 101 and FAC Ethics briefings (respectively) for the IWCC closed/administrative session in the morning before the full meeting.
- I've started making intro calls to members and Beverly will be following up with them to get them into Concur.

Here's the list of members (no public announcement of appointments yet)

IWCC update

Linda,

Per our convo, Natalie Davis called yesterday inviting me to a meeting next week (she scheduled it for Feb 15th 2-3pm) to discuss/plan the IWCC's inaugural meeting with Greg and DOI leadership. She also asked me to prepare a first draft of an IWCC meeting agenda. I scheduled a meeting for tomorrow (1:30-2:30pm) with Greg to get his input and guidance on this draft. There are some boilerplate elements included in any FAC group's first meeting, but getting Greg's input will be critical in filling out the draft and aligning it with the desires of leadership.

Roslyn,
Natalie Davis (person who scheduled the Feb 15th meeting, see below) asked me to develop a draft IWCC agenda for discussion at the meeting.
I'd like to schedule a ~45 minute meeting with Greg sometime this week (preferably Thursday or Friday, anytime) or early the next to discuss the draft and make sure whatever I put together works for him!
Thanks,
Joshua

Joshua,

Thank you for the prompt response last week and for ensuring that Gary's appointment letter was sent to him. Having said that, I understand that Jeff Crane has been appointed to serve as an alternate member on the IWCC, but he has not yet received his confirmation letter either. Do you know the status of Jeff's confirmation letter?

Please let me know if you need anything else from our end.

Many thanks,

Taylor

Hey guys,

This is now in DTS: EST-00006975

It's been assigned by EXSEC to Ben Cassidy in Intergovernmental Affairs. I uploaded our draft with a note that it hasn't been cleared through FWS. So, they may or may not include us in the surname route.

Hi Xiomara,

I just routed all this to Josh Winchell our FACA coordinator. After reading the materials, I am unclear on the "task create draft response"? Hopefully Josh will shed more light on this. It didn't seem like the materials need a draft response- it was more an FYI about the nomination. If I am incorrect on this please let me know so I can pass along to Josh.

Good morning Joshua - Dr. Kevin Robertson here.

I'm currently the departmental head of the Southern African Wildlife College's Sustainable Use & Field Guiding business unit.

I am also a wildlife veterinarian and for the past three decades I have been involved in many aspects of African wildlife conservation from training Professional Hunters to hunting professionally to managing large tracts of pristine African Wilderness.

Through my books - The Perfect Shot, PS II and Africa's Most Dangerous and for many years a regular columnist in Sports Afield, I am well known in African conservation circles.

This is how I got to meet and know my veterinary college, 'lion fanatic' and now friend, Lane Easter.

I have yet to meet a more dedicated lion conservationist than Lane.

His concern for these felines, and how the remaining wild, free-living populations should be sustainably managed defies logic for someone who lives on a continent where very few lions occur!

If ever there is a person dedicated to the complex topic of wild, free-ranging lion conservation, it is without a doubt Lane.

With this in mind it makes no sense to me not to have someone as dedicated as Lane serve on the International Conservation Wildlife Council.

To me his inclusion to this council is an absolute no-brainer.

You are welcome to contact me at your convenience should you have any further questions.

My best regards,

Kevin Robertson

Hi Joshua,

I know you are still likely awaiting information to move forward with IWCC business and I just wanted to keep you apprised of my schedule so that you have as much info as necessary for that first meeting. I realize that Monday is typically a travel day for government business (if necessary), but I have a speaking engagement that I prefer not to cancel if at all possible on Monday February 5. It is in the morning and I would still be able to travel that day if need be.

This might be overkill on info for ya, but figured better to let you know ahead of time. I also realize that you may need to move forward with scheduling for that day despite my potential conflict (I am only 1 person!), but again, I want to keep you informed.

Best regards as we both exercise patience! :)

Dear Joshua,

I hope this finds you well, and that you were able to enjoy some time off over the holiday season.

I was wondering if there was any feedback or updates regarding Mr. Ichikowitz's application to the International Wildlife Conservation Council? If not, would you be able to provide an indication of when we might expect to hear about a selection?

Thank you very much, and all the best for 2018.

Regards,

Rachel

Linda,

Attached are documents for the two new councils, including nomination letters for IWCC, and the FR notices and charters for the IWCC and HSSCC. They should be helpful to have on hand for tomorrow's call.

If you want to go over any of these before tomorrow's call, give a ring!

Dear Mr Winchall

Thanks for allowing time for me to collect some references. The list is attached and includes a cross section of institutions and associations involved in international hunting right from promulgation of legislation to the exporting of hunted animals. Also includes training and empowerment references.

Unless more is requested, I will leave my resume and references as is.

Best wishes

Joshua,
Just saw this email which was in the cloud on my cell and not showing up on my laptop.
Was wondering is this the same FACA Committee as the one I served on under President Bush?
Would very much like to serve on the FACA that is focused on the North American Model, our hunting heritage and conservation.
Here are is the info requested:

I understand through the grapevine that I did not make the cut for the IWCC appointment. I have seen some of the names that have made the list and was curious to see if I could get a full roster.

Thanks

Good morning Joshua.

A few of my colleagues have received notification of acceptance for the IWCC. I am certain there was a large group of very qualified applicants. In that I have not received a notification, I assume I did not make the cut. If I may be of service to the Hunting and Shooting Sports Conservation Council, I would be honored to be considered for this panel.

Stephen,

FYI - Today I received a telephone call from Congressman Young expressing his support for a nominee (Jeff Stanley) to a new DOI federal advisory committee Secretary Zinke recently announced, the [International Wildlife Conservation Council](#). I am the Designated Federal Officer for the IWCC and am the point of contact for nominations to the IWCC.

I inserted the note below into Mr. Stanley's nomination material describing the call. DOI ExecSec also recommended I reach out to you directly to give you a heads up about the call.

Please do not hesitate to call me if you have any questions!

-Joshua

NOTE INSERTED INTO JEFF STANLEY'S APPLICATION TO IWCC

"Congressman Don Young (AK): Support for Mr. Stanley's nomination to the International Wildlife Conservation Council (IWCC)."

12/12/17

IWCC Designated Federal Officer Joshua Winchell received a telephone call from Congressman Don Young expressing his strong support for Mr. Jeff Stanley's application to the IWCC. Congressman Young mentioned Mr. Stanley's commitment to and knowledge of African wildlife and said Mr. Stanley would be a valuable addition to the council. Winchell confirmed with Congressman Young that Mr. Stanley had been nominated and that a note would be included in Mr. Stanley's application referencing Congressman Young's support."

Hi.

Attached are two sample WHL briefing papers. The first one, which is the latest required briefing paper, is specific to Federal Register notices, so I don't think it's appropriate for your package. The second one is the type we normally use, and which the Alaska RACs used just this past month, to put forward their appointments and, in this case, charters. I've stripped out the names, and vetting information, but you need to include that info in the briefing paper. For example, full name, address, date of birth. If you don't have dates of birth, then we should probably discuss. It might be more appropriate to collect that after the selections are whittled down.

So, you will need:

- note to reviewers
- briefing paper for WHL
- Resumes/bios
- copy of current charter (un-filed)
- transmittal memo from Director through FWP to Secretary
- sample appointment letters

I think you should also include a draft membership balance plan. I guess we can skip the justification statement for this one since it came from the Secretary's office to begin with.

Please let me know if you have questions. I can surname electronically when the package is ready after I read through it so you don't have to wait for the hard copy package to go through me.

Mr. Mudawarima,

Thank you for the email nominating Mr. Fundira to the International Wildlife Conservation Council (IWCC).

While there is no set format for an application package to the IWCC, at a minimum it should include a resume providing an adequate description of the nominee's qualifications, including information that would enable the U.S. Department of the Interior to make an informed decision regarding meeting the membership requirements of the IWCC and to permit us to contact the applicant. Here are the IWCC membership requirements and description of duties:

IWCC Membership

Members must be senior-level representatives of their organizations and/or have the ability to represent their designated constituency.

- Wildlife and habitat conservation/ management organizations;
- U.S. hunters actively engaged in international and/or domestic hunting conservation;
- The firearms or ammunition manufacturing industry;
- Archery and/or hunting sports industry; and
- Tourism, outfitter, and/or guide industries related to international hunting.

IWCC Duties

- Developing a plan for public engagement and education on the benefits of international hunting;
- reviewing and making recommendations for changes, when needed, on all Federal programs, and/or regulations, to ensure support of hunting as: (a) An enhancement to foreign wildlife conservation and survival, and (b) an effective tool to combat illegal trafficking and poaching;
- recommending strategies to benefit the U.S. Fish and Wildlife Service's permit office in receiving timely country data and information so as to remove barriers that impact consulting with range states;
- recommending removal of barriers to the importation into the United States of legally hunted wildlife;
- ongoing review of import suspension/bans and providing recommendations that seek to resume the legal trade of those items, where appropriate;
- reviewing seizure and forfeiture actions/practices, and providing recommendations for regulations that will lead to a reduction of unwarranted actions;
- reviewing the Endangered Species Act's foreign listed species and interaction with the Convention on International Trade in Endangered Species of Wild Flora and Fauna, with the goal of eliminating regulatory duplications;
- recommending methods for streamlining/expediting the process of import permits.

If you have any additional questions, please don't hesitate to contact me.

Joshua,

Thank you for confirming. I am curious what the timeline is for reviewing nominations. There was also some doubt that non-U.S. citizens would not be accepted on the Council, but as detailed in our letter, Malan's participation would be most valuable to Secretary Zinke.

Best Regards,
Joe

Joe,

Membership to the IWCC is NOT limited to U.S. citizens.

I don't have a precise timeframe for IWCC members to be appointed, since Secretary Zinke will need time to review applications after the nomination period ends today.
