Hi Kathleen,

Yes, I got the email from Mark.

The trapping regulations:

Include a 1/2 page narrative on "trapping methods for capturing bobcats while avoiding lynx", with a discussion on habitats, trap locations, trap types, trap sizes, and include the suggestion of bringing a catchpole to aid release of nontargets. No mandatory requirements on trap sizes or tension - all are suggestions.

Brian asked me today to set up an internal meeting once we've compiled as much as we think we can find...

Subject: lynx questions

did you see the email from Mark? Also what is the IDFG policy to minimize take of lynx from trapping?
