**Subject:** FWS Comments on EPA's Final 316(b) Regulations

Gary asked me to get with you guys about sending a request to OMB for an extension for us to submit comments based on our ongoing discussions with EPA that we expect would lead to a revised final regulation. Just so you are clear-- (b)(5) Deliberative Process

Hi Rick,  
OMB granted us a bit more time. Apparently other departments have requested extensions too. We are looking at a new OMB deadline of 8/29.

Thanks,

Megan Apgar
