Paul--

Patrice, Drew, and I took a stab at rewording the letter so that any reasonable reader would clearly understand (b)(5) Deliberative Process

I ran this by Gary and he is OK but wanted you to have a chance to see it too before we send. Let me know if you have concerns. I hope to send this tomorrow morning.

I've pasted the important paragraph here in case you are trying to read on your iPhone.

(b)(5) Deliberative Process
