Rick,

That's great. Thank you, and it's no problem, naturally, to include EPA. As you may have seen, yesterday we submitted comments to the Services and EPA. If you don't have them yet, let me know and I'll email you a copy. I'll check our schedules for getting over to Arlington either before or after our meeting with OMB on that day and let you know in short order what might work best. Thanks again. Reed.

Mr. Super--

We would be happy to meet with you on November 15th, but given that this matter involves an ESA consultation we feel it would be important to include representatives from EPA in addition to FWS and NOAA. We would be happy to host the meeting at our office in Arlington. Please let me know what time would be most convenient for you and we will work with EPA and NOAA to make arrangements.

Dear Mr. Frazer,

We spoke back in the summer when EPA initiated formal consultation. Riverkeeper and the other environmental groups would like to meet with the FWS and NMFS on this topic. We will be in DC for a meeting on the rule with OMB on November 15 and would like to meet with you that same day, if possible.

Please let me know.

Thanks very much,
Reed
