Attachments: Pertinent Page Numbers of Final Preamble and Rule.docx

The attached has the page numbers I currently have highlighted in my copies of the rule and preamble. There are other mentions of T&E outside of these, but in my mind, these cover the bigger issues. I included as small comment for each bullet that you may or may not want to keep.

This is saved on the R drive in the 316b folder. Let me know if you have any questions.

Thanks
Drew

Sarah--

Attached are the regulatory text and the preamble. Also attached is a file called "pertinent page numbers..." that will help you locate the most relevant sections of these documents.

Let me know if you need anything else and thanks for your help with this one.
