Sorry that the phone connection was so tenuous today. It sounded to me that we lost all of you before we got too far into the call. So here's where we left things.

(b)(5) Deliberative Process

So it's out there, but we're going to focus on what we discussed earlier this week for now.

As soon as possible, we need to put the (b)(5) Attorney-Client Communication

We talked about timing -- that we're now 60 days away from their deadline (which the court and the plaintiff say will not be extended further) and (b)(5) Deliberative Process

we need to force the question next week.

Let's talk tomorrow (Friday) if/when you get back in the office. -- GDF

I hope you're up for a call today. I'm going out to shovel now, but I wanted to share with you our thinking (b)(5) Attorney-Client Communication
