Emily -- Thanks for the note. I did not know about the meeting next Monday until you flagged it for me.

We have a briefing paper teed up, but there is lots of movement on this issue and I think it would be best to hold off until closer to the deadline to submit anything. I did not see a revised tasker for this meeting. Could you find out when the deadline is to submit for the briefing binder?

Thanks -- GDF

Hi Gary,
I just wanted to check in about the briefing materials for the internal meeting on 316 with the Secretary next Monday. Dan will be attending and I'm not sure if you've discussed it with him-- I'm just making sure the Dept. has the information ahead of time. Let me know if there's anything I can assist with (or if I should contact Sarah Greenberger about this instead?)

Thanks,
Emily
