Hi Rick,

Attached are Keith's and my comments for your review (labeled UF&WS). I've combined ours with NMFS comments since there was a fair amount of overlap in what the agencies are saying. We are to provide NMFS our comments next Monday (3-18) by 4:00. They will then compile with any additional comments they may have and forward to EPA. We have a call with EPA next Tuesday at 1:00 to go over the document.

(b)(5) Deliberative Process

EPA's court deadline to get the final rule in the FR is June 27 of this year.

Let me know if you have any questions.

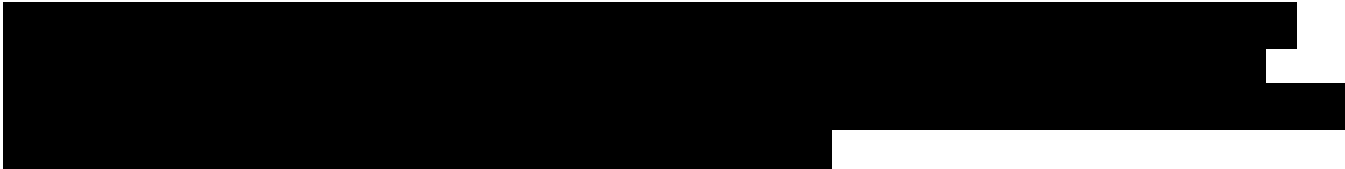

Thanks

Drew

I think it would be a good idea to prepare a concise cover memo/letter (b)(5) Deliberative Process
