Here is what we pulled together today. Our goal was to get through the document so we didn't spend a lot of time on wordsmithing track changes or making complete comments in the margin. The comments are more for our benefit to facilitate discussion of those points with EPA. Jenny is drawing up a form that will lay out each comment, page #, date Service proposed, date EPA staff accepted, date EPA mgmt accepted, and if

(b)(5) Deliberative Process

We were not able to add our comments on the last few pages of the doc electronically since we had to leave the conference room. Jenny will send those on over today or tomorrow.

Thanks  
Drew
