Subject: The BO

Dear Rick-

Hope you had a good Tday. Now, back to reality, huh? So, with that I had a couple of thoughts regarding the BO but I wanted to run them past you prior to discussing with Drew incase you disagreed. I suggest the following:

(b)(5) Deliberative Process

[REDACTED]

9) I did some basic clean-up with my editing, small stuff, that Drew can work on today.

So, may we touch base today early, maybe after your 9:00 meeting, and then maybe meet the 3 of us, and then Drew and I can get started on edits.

Thanks.

Drew/Patrice--

Great job getting this pulled together. I feel good about having this ready by Friday.

Let's get together as soon as possible. I have meetings with Paul at 8:30 and 9:30 so hopefully will be free by about 10:30.

This file has my suggestions for improvement.
