Subject: 316(b) Rule Modification Assignment

Dear Rick-

Drew and I had a conference call with NMFS this morning to discuss our EPA assignment due this Friday. Here is the plan. Drew and Jenny will work on the first draft (b)(5) Deliberative Process

[REDACTED]. Drew will pass that version to me on Weds COB. Pam (NOAA lawyer), Ron, Jenny and Drew have a conf call set up for Thursday morning to discuss the draft language. They will work together and complete a final draft by noon on Thurs. It will then go to you and Gary?? and we need to return any comments or edits by Thurs COB. Jenny volunteered to make the edits and get the modified Rule to EPA by Friday morning. An ambitious schedule, but what has to be done to meet their requested deadline.

So, let me know where and when you and/or Gary should be plugged in?
thx
