Hi Ron,

I haven't had a chance to read through the BE. (b)(5) Deliberative Process  
I probably won't be able to give it a good read until at least Monday. Our next call with EPA is Tues. March 19. So, we should have a call next week sometime, but maybe Wednesday or Thursday to give Drew and I time to look over the BE.

Thanks,  
Keith

Hi Everyone:

I have only given this a very cursory view, (b)(5) Deliberative Process

These are just my very brief first impressions and I may be missing something.

Comments welcome. Perhaps we should schedule a Services call before next Tuesday?
