Hi folks,

You might want to see these materials in advance of the meeting, too. Given the hour, I've copied as many people as I guessed might need to be in the loop – if there is someone you think should have received these materials, please forward to them.

The reg text is 50 pages, but the text coloring should help you focus (although it is generous). Also, the bullets on text we (b)(5) Deliberative Process

Finally, if there is anyone who needs to join via conference call, please let me know, and I'll get a conference line added (and send an email to this group as well).

Thanks,

Julie
