Hi Pam,

I was thinking we'd (you, me and Drew) use 10-12 to write together (review what was already written and make sure we're not missing anything. BUT I'm running late too and am not ready to give you and Drew what I have so far Can you talk later in the day to do the write together/review? I have a meeting with USACE from 1-3 but can talk around 4:00.

Are we still talking to FWS tomorrow at 10,

given that they will not have had a chance to review it?

I ask because I'm not done review, and I want to make sure to get you comments by noon tomorrow so you can incorporate mine. If we still are, I will be on the call, but I may need an extra hour or two to get comments to you.

**(b)(5) Attorney-Client Communication**

So, that will help me focus my comments at least.
