Ron and Jenny,

I'm preparing a short briefing for our AD and want to make sure that I'm not stating anything that is incorrect from our call earlier this week. Could you take a quick look at the bullets below and let me know if I captured the main points?

**(b)(5) Deliberative Process**

I'm not sure if they would be able to tell us. I'm willing to try though.

Thanks  
Drew

- EPA was amenable to several of the recommendations made by the Services including the **(b)(5) Deliberative Process**

- EPA **(b)(5) Deliberative Process**

- Although EPA would attempt **(b)(5) Deliberative Process**

- **(b)(5) Deliberative Process**

. They are:

**(b)(5) Deliberative Process**

(b)(5) Deliberative Process

- Due to the tight time-frame, EPA will move forward with

(b)(5) Deliberative Process

provide the Services copies so that we may have additional time for comment and review during the interagency review process.
