Hi Jenny,

I had a few comments on the table. Let me now if you have any questions.

Thanks!

Hi Everyone,

Attached is a draft "coordination plan." It is a revised version of the table that I sent around to everyone a few weeks ago and to Ron and Pam last week. I tried to make it general enough to apply to both FWS and NMFS.

Please send me your edits and comments. I would like to provide this to EPA sometime in the near future, but at earliest, after our next senior manager's meeting.

Thanks,

Jenny

Hi All:

Attached are my minor edits. Most are just clarification edits and questions mostly just for my benefit.

Looks good.

3) COORDINATION. This document is meant to be shared with FWS and EPA.

Let me know if you think that these documents express our concerns and outlines our consultation strategy or if they need additional work. We'll use these documents to discuss our strategy with Donna/Helen and later with Lois.

Once you are done with your edits, will you pass the documents on to Pam to review? Do you think it would be possible to pass them on to her by COB Tuesday? That will give her all day Wednesday to review.

Thanks,

Jenny
