Hi there,

I've pulled together a brief summary that may be useful in briefing Gary and Paul where we (FWS and NMFS) currently stand on the issues. Feel free to edit if I've misstated something.

Thanks
Drew

I'm fine with that edit. We may want to run it by NMFS if we are saying that we are in agreement on the issues.

Are you guys OK with my suggested revision? I'd like to send this to Gary Frazer and Michael Bean and represent to them that we've coordinated with you and are in lock-step on these points.
