Hi Rick and Jenny,

We have hit yet another delay internally so I have to send you another pathetic email to let you know we will not be sending language today. I am currently anticipating sending you the rule and preamble Monday. If something changes and we are able to get this to you tomorrow (Friday) either I or Betsy Southerland will let you know. Thanks for your patience.

Thanks, Rick. These time frames and caveats work for EPA. I'll give a call to Jenny to see if they work for NMFS.
