Hi all,

Attached are the preamble and rule, both a clean version of each and a redline comparison to the original submission.

(b)(5) Deliberative Process

The revised documents don't yet incorporate all of the changes made as a result of the interagency comments – please let me know if there is a comment that has not been addressed so I can flag that for EPA.

Please provide me with questions/comments on the revised documents by COB Wednesday, November 13th. Please let me know if you have any questions.
