Tom & Julie -

I was quickly able to find 11 of the 12 papers in .pdf format (attached as a .zip file renamed as .aaa to pass through e-mail filters).

I expect to gain access to a copy of the sole remaining paper (Ash et al 1974) tomorrow.

Cheers,

Tom is out today, and I'm not sure who is the (b)(4) Commercial or Financial Information on the biological evaluation, but attached is a list of papers we cite in the BE that the Services (or at least FWS) would like to have a copy of. There are a dozen papers listed, so it's not a huge request. Tom will probably ask tomorrow what it would take to pull together electronic copies of these papers.

Thanks,
Julie
