Hi Everyone,

I added Drew's edits to the coordination table. I do not think we will have time to discuss tomorrow, but I may bring the table to the meeting tomorrow. (b)(5) Deliberative Process

[REDACTED]

[REDACTED] Also, we should discuss how we are going to proceed while FWS (and Pam?) are attending the NAS retreat...should we just skip next week's meeting or should NMFS review the "recommendation" and "coordination" documents with EPA?
