Hi Tom,

Thanks for your email. NMFS is not prepared to talk about these topics on Monday at the senior manager's meeting because we (EPA and the Services) have not had a chance to discuss these topics (and proposed alternatives) at the staff level. We suggest the following agenda:

(b)(5) Deliberative Process

Jamie, would you set up the meeting as early as possible today?

Thank you,

Jenny

Drew, Patrice, and Jenny,

I have attached a draft agenda, and a summary (b)(5) Deliberative Process

(b)(5) Deliberative Process for the Monday morning 316b ESA senior manager's check-in meeting.

Jaime will try to set up a call with you for sometime tomorrow to discuss the agenda.
