That's fine. The description of the action wasn't on the agenda for the tomorrow meeting. Agenda would just be:

- Prep for Riverkeeper meeting on 11/15
- Discuss latest rule/preamble we sent to OMB on 11/1
- UWAG letter (our respective plans for responding; views on the merits of their

arguments [but not as time sensitive a topic])

Julie,

Jenny is available tomorrow at 1:00, but she said she will not have finished the Description of the Action by then. She would like to know if you'd like to meet tomorrow anyway?

Tom
