Hi Gary,

Rick and I have provided edits to the BO that reflect our discussion this morning. There is one comment on page 61 we would like to further discuss. I've tried to highlight text where we've made changes, or indicate a change has been made in the margin. I'm happy to discuss any questions you may have.

Thanks

I've pulled together the list of "(b)(5) Deliberative Process" for the call this afternoon. Feel free to add to or clarify.
