Rick -- I just left you a voicemail about an invitation from the Secretary to come by her office so she can thank those who labored so long and hard on the 316b consultation. Give me a call or shoot me a note. Would love to have you recognized.

Hope all is well. -- Gary

Thanks for the call and email. I should be able to make it on June 3rd. (b)(5) Deliberative Process

[REDACTED]

Things are going well. I've been chronicling the bird life on our little pond and this one stopped by briefly last week.

That's great! We're scheduled for 4p on Tues, June 4. Glad you'll be able to come.

I'm amazed that you'd get a loon on your little pond. But then I also never would have thought that a peregrine would be a regular fixture on the Roosevelt Bridge, but there's one perched there almost every other day.

We'll keep you posted if there's any scheduling change. Best -- GDF
