Just wanted to check-in with you about how you are handling this inquiry. We have drafted the attached response, but our Assistant Director asked us to hold it while the policy-level discussions are ongoing. Please let me know what your agency is planning to do and if possible, whether your response is substantially different from ours'.

Hi Rick,

Our draft response is working its way through our system for signature. It is attached. It says even less than yours, making it, in my view, suitable to send now before our ESA process is resolved. Happy to discuss.
