Subject: 316b schedule

Sam -- Bob Dreher was out here at NCTC with us **Non-Responsive**

and gave Dan and me (b)(5) Attorney-Client Work Product, (b)(5) Deliberative Process.

Long story short, we sharpened the pencil and told Hilary that we could deliver a final BO by COB May 16. If EPA wants to see a draft, we'll deliver one on May 14 and give them one day to review.

I can call you with more background tomorrow, if you want. - GDF

So that's 39 days from when EPA agreed to the interpretation instead of 45 (I guess its 37 if you count the 2 day review). We will look at it but if you think you can do it, we can probably make it work. I will let you know tomorrow.
