My colleagues at NOAA mentioned there is a 2pm meeting/call today to discuss (b)(5) Deliberative Process issues. I did not receive an invitation and I don't believe that Gary Frazer or Paul Souza did either. Is it your intent to not include anyone from DOI or FWS in this discussion?

Hi Rick,

The call today at 2 was suggested by NMFS to discuss the (b)(5) Deliberative Process
I discussed your message with Donna Wieting and you are welcome to participate in the call at 2. Shall I add you to the invitation?
