Donna--

Do you mind if I listen-in to the call today at 2:00 pm? I was hoping that Rob Wood would send me an invitation, but at least so far that has not happened. So if you are OK with me listening-in, could you send the call-in number?

Thanks

I'm ok with that Rick. Since Lois was the one who suggested we have this meeting it is fine with me. I talked with Rob this morning and he was going to invite you. Here's the

call in.

I can view it, but can't download or print it. It looks like it is almost identical to what Jenny provided yesterday, but with track changes accepted and reformatted.
